**ARLINGTON COUNTY BOARD CANDIDATE CHARLES MCCULLOUGH LAUNCHES
SPANISH-LANGUAGE WEBSITE**

Charles McCullough this weekend launched a Spanish-language version of his campaign website, votemccullough.com/es/.

“My campaign is all about inclusion, and that includes Spanish-language speakers,” said Charles. “For too long, the ‘The Arlington Way’ has left out the voices of many of our families, friends, and neighbors. I envision an inclusive Arlington where policymaking is done with a ‘People First’ attitude that creates vibrant residential and commercial areas that remain affordable, accessible, safe, and sustainable.”
